Mail-A-Book

Homebound

Services

What is the Mail-A-Book

Homebound Program?

A service provided to residents of Collier

County who are unable to come to the library to checkout materials.

Contact our office or go to www.CollierLibrary.org to download an application.

Blind or Legally Blind

Qualified patrons who provide a doctor certification will receive audio format or large print materials mailed in nylon bags marked as Free Matter for the Blind. These items can then be mailed back to the library in the same bag. We will help select further reading materials for you or you may make special requests.

Homebound

Qualified homebound patrons are mailed materials in a blue nylon bag. Postage is generously prepaid by the Friends of the Library (www.Collier-friends.org) or bags can be dropped off at any Collier County Public Library.
