MAIL-A-BOOK HOMEBOUND SERVICES

What is the Mail-A-Book Homebound Program?

Our Mail-A-Book Service offers homebound patrons the convenience of having library materials delivered to their door free of charge. These materials include books in large print, regular print, and audio formats; movies on DVD; and music on CD. Mail-A-Book serves all age groups. Patrons request specific titles or choose reader's advisory and materials are then sent to them through the U.S. Postal Service in zippered nylon bags.

BLIND OR LEGALLY BLIND

Qualified patrons who provide a doctor certification will receive audio format or large print materials mailed in green nylon bags marked as Free Matter for the Blind. These items can then be mailed back to the library in the same bag. We will help select further reading materials for you or you may make special requests.

HOMEBOUND

Qualified homebound patrons are mailed materials in a blue nylon bag. Postage is generously prepaid by the Friends of the Library (collier-friends.org) or bags can be dropped off at any Collier County Public Library.
